OMAHA SAFETY COUNCIL

"A CIVIC INSTITUTION"

OMAHA, NEBRASKA

Mr. J. J. Roberts
Checker Cab Company
2124 St. Mary's Avenue
Omaha, Nebraska

May 4, 1948

Dear Mr. Roberts:

Taxicab and other commercial vehicle operators in Omaha are looked upon by the rest of our citizens as "professional drivers" which of course they are. Many safety-minded citizens look to the professional drivers for guidance in setting examples. Therefore, these drivers hold a high responsibility in continuing Omaha as one of the safest cities in the nation. Every move that your drivers make is judged in the eyes of the general public as the "right thing to do."

Because of this high esteem in which your drivers are held, it is doubly important that they continue to follow every safe driving practice in the future as they have in the past. Due to the splendid safety program and the high type personnel in your driver organization, I feel confident that your enviable safety record will be continued.

The Omaha Safety Council sincerely appreciates the fine cooperation which your men have shown and wishes them and you continued success. Omaha's reputation for safety is known throughout the world and we wish to express our appreciation to your drivers for their help in making this reputation for safety possible.

Sincerely,

OMAHA SAFETY COUNCIL

PAUL R. STEVENS,
Manager
